About This Game

Get a great start to your day with crispy, nutritious platforming! Embark on an a-maize-ing adventure as a team of cereal flakes on a quest for the legendary Cornucopia!

- Switch between dozens of playable cornflakes with unique abilities!

- Explore a diverse world of food-themed levels such as the Broccoli Forest, the Dessert Dungeon and a Haunted Gingerbread House!

- Bump into all kinds of weird and wonderful characters along the way!

- Hand-drawn graphics bursting with colour and personality!

- A joyous labour of love by a solo developer!

- Fortified with an awesome, funky soundtrack that will put a smile on your face!

- There's a bit where you can help a banana with arms and legs build a sandcastle!

- Play in English, French, German or Spanish!

- STEAM DESCRIPTIONS WITH WAY TOO MANY EXCLAMATION MARKS!!!
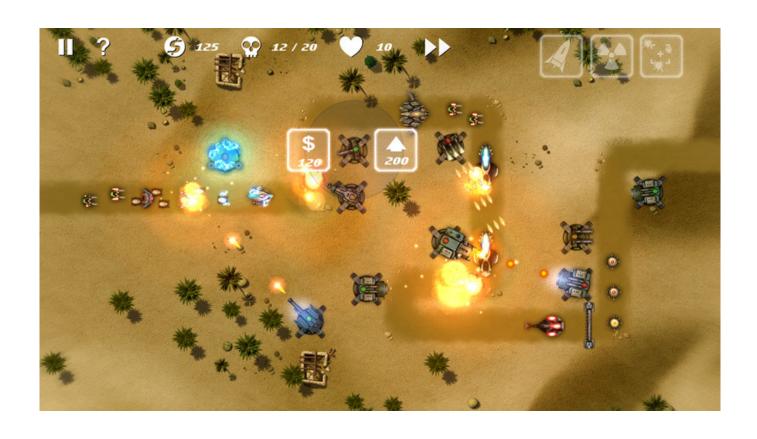

Warning: may contain corn-y jokes.
